

**01**

**Every Student, Every Day**

Every student can learn given the right opportunities.

**02**

**Clean, Safe Learning Environment**

Every school will have equitable environment standards from campus to classrooms.

**03**

**Provide Pathways and Eliminate Obstacles**

Learning choices with systems of support.

V I S I O N

*The business services' departments will provide continuous support so every student, every day will be present in a modern, clean, and safe learning environment, and ready to learn in a highly engaging, inclusive culture with proper nutrition, updated curriculum, creative pathways, and innovative technology.*
